Pauline Mwihaki

Full-stack Developer at Madrocks Networker
Nairobi

Summary

I love creating software and building systems that help users interact with and share their experiences. From the time I was in college, I've been interested in programming and systematically figuring out ways to build more efficient and usable systems. I also enjoy meeting new people and hearing new perspectives. Reach out if you want to talk to me about emerging new tech, creating software products.

Experience

Madrocks Networker
Full-stack Developer

Education

Co-operative university
Diploma in Information Technology, Information Technology · (January 2020 - September 2021)
